FARCRY 5
ORIGINAL
GAME SOUNDTRACK
MUSIC BY DAN ROMER

SPECIAL THANKS

Far Cry 5 has been one of the greatest journeys of my life. From writing folk songs based on a fictional bible, to tweaking relentless fits of super aggressive percussion, to using banjos and fiddles in the scariest ways I could think of, this game has some of the most varied and some of the most personal music I've ever made in my life. I wouldn't have made it all the way down this road without my family of collaborators. Thank you:
